

EXTENDED MEMBERSHIP YEAR: 2019 to 2020

31st January 2020

Membership of the British Stunt Register renews annually. The last membership year renewed on 1st February 2019 and each member was issued with their photo card showing the end of the period correctly as 31st January 2020.

At the AGM in December 2019, members voted to alter the annual renewal date.

The current period will extend to April 2020 at which time members will be issued with new cards.

Our members may present a watermarked copy of this notice to their employers alongside their cards if asked.

While names and grades are displayed on the website, it may be subject to update delays or maintenance works. Any employer who wishes to check the current status of a register member may contact the office to check or to request access to our 'Live Updating List'.

A listing and the possession of a 2019-2020 membership card should give employers confidence that the carrier is a skilled professional, whose career grade has been peer reviewed by those at a more experienced grade.

Enquiries may be made to the BSR office via webform, telephone: 01753 652 821, or email: info@thebritishstuntregister.com.

We look forward to inviting our industry colleagues to use our stunt directory app later in the year, which will supersede these resources and be a useful tool for finding our current members and searching their skills.
