

Guidelines for BSR WhatsApp Community

Welcome to the BSR WhatsApp community! We want to ensure that everyone has a positive and enjoyable experience. To maintain a friendly and respectful environment, we kindly ask you to follow these posting guidelines:

Posting Guidelines

1. **Be respectful:** Treat all community members with respect and kindness. Avoid personal attacks, insults, or any form of harassment. Remember, we're here to support and learn from each other.
2. **Be professional:** This is a Community for Stunt industry professionals, so please engage with your colleagues in a professional manner. While the Community is built for BSR members, engage as though it will potentially be shared beyond the BSR Community. Inappropriate comments can impact your professional career.
3. **Be mindful of cultural differences:** Our community consists of members from diverse backgrounds and cultures. Be sensitive to these differences and avoid making derogatory or insensitive comments based on race, sex, religion, gender, or any other personal attributes.
4. **Maintain confidentiality & privacy:** Respect the privacy of community members. Do not share personal information about others without their consent. Be cautious when sharing your own personal details and exercise discretion.
5. **Stay on topic:** Keep your posts relevant to the community's purpose and subject matter – Stunts, the wider film and TV industry and related news.
6. **Share useful and valuable content:** Contribute posts that provide value to the community. Share interesting articles, ask thoughtful questions in the correct Sub-Groups, and offer helpful advice. Quality contributions make the community more engaging for everyone.
7. **Avoid spam:** Refrain from posting excessive promotional or advertising content.
8. **Use appropriate language:** Refrain from using offensive, vulgar, or discriminatory language.
9. **Report inappropriate content:** If you come across any posts or comments that violate these guidelines, please report them to the community administrators. Help us maintain a positive environment by bringing any concerns to our attention.
10. **Have fun and connect:** Finally, enjoy your time in the community! Engage in meaningful discussions, ask questions, and make connections with fellow members. Remember, we're here to learn and grow together.

By following these guidelines, we can create a welcoming and constructive Community. If a post violates these guidelines it can result in removal of posts, formal warnings, suspension and even removal from the BSR Community. Thank you for your cooperation.
